7. RESEARCH GRANTS

1995	Ford Foundation, "Developing a Civic Youth Service in Israel", with Dr. Reuven Gal, #15.
2001	Heinrich Boll Foundation, "Evaluating NGO activity on sustainability, towards Local Agenda 21", sole grantee, \$5,000, #13.

-
- 2004 CABE, Center for Advancement of the Built Environment, “Urban Regeneration in Weak Housing Market Areas in England, exploratory research”, \$2,000.
- 2004 – Joseph Rowntree Foundation, “A Good Place
2005 for Children: Attracting and Retaining families in inner-urban mixed income communities”, with Ruth Lupton, 55,000 GBP, #2. Extension of PhD thesis research to additional case study neighborhoods and additional methods, and professional steering committee. Research findings led to new regulations on size of private sector homes in new mixed income communities.
- 2005 The Glass House Center, “Research and Evaluation of Training Courses on Urban Regeneration for Housing Tenants in England” with Prof. Anne Power, LSE, \$3,000.
- 2007 – New Israel Fund, “Housing distress among
2008 Arabs in Jaffa”, sole grantee, \$4000, #8. Research grant to analyse the policies leading to hundreds of demolition and eviction orders in Jaffa. Research report led to the founding of a multi-agency ‘round-table’ to recommend solutions.
-

-
- 2007 - Tel Aviv Municipality strategic planning,
2008 “Accelerating self-initiated housing upgrades in multi-family housing in Tel Aviv”, \$14,000, #12. Analysis of international precedents for municipal intervention to promote upgrading private multi-family housing. Research findings incorporated into new municipal outline plan.
- 2008 Ashdod Municipality, “Strategy and Tools for Affordable Housing in Ashdod”, \$20,000, #10. Action research to recommend policy initiatives and feasibility of pilot project.
- 2008 Tel Aviv Municipality, “Strategy and Tools for Affordable Housing in Tel Aviv”, \$35,000. Staffed inter-disciplinary team to develop new policies, #9. Research findings have been adopted by the municipality, and adapted to other cities in Israel.
- 2008 - Ford Foundation Israel, “Raising the Roof:
2009 Strategy to Build Capacity of Social Change NGOs for Housing Rights in Israel”, sole grantee, \$94,000, #11. Mapped strategies and activities of forty NGO’s in housing rights, through research, interviews, workshops and film. Findings led to inclusion of ‘housing rights’ as grant-
-

making area for three large philanthropic foundations.

2008 - 2014 ATS private donors, “Community Planning and Technion Lab”, \$30,000. Core support for student research through the Community Planning Lab, and for a Social Architecture Prize. The Lab enables architecture and planning students to create and deliver practical and socially responsible solutions for community needs in low-income and under-served areas.

2008 - 2010 Ministry of Interior, Planning Authority, “Statutory Planning and Local Policy Tools to Expand the Supply of Affordable Housing in Israel”, with Prof. Rachelle Alterman, \$20,000/\$80,000, #1. Selected through competitive research, includes cross-national comparison of policy tools, local case studies, and recommendations for adaptation to Israel. Findings have been widely reported in the media and informed new national and municipal policies.

-
- 2009 Rosa Luxembourg Foundation, “Enhancing Social Aspects of Urban Planning”, with Prof Arza Churchman, \$12,000. #5. Research findings and workshops partially adopted by the Ministry of Social Affairs (increased involvement in statutory planning) and partially incorporated into new legislation for planning reform.
- 2009 - Tel Aviv Jaffa Municipality and the Jaffa
2010 Governance Agency, “Alleviating Housing Distress among Arab citizens of Jaffa”, sole grantee, 80,000 NIS, #7. Applied research and chairing multi-agency ‘Round-Table’ to recommend solutions for housing distress in Jaffa. Research findings have been incorporated into new policy interventions.
- 2010 - Municipal Alliance for Peace (MAP),
2011 “Developing Capacity of Local Government in Housing and Urban Regeneration” with Dr. Nail Salman, UN Habitat. 5000/10000 Euro. UN Habitat coordinator for the Palestinian Territories. Planning grant to develop a joint Israeli-Palestinian research proposal for housing cooperatives and non-profit housing associations, and local urban observatories.
-

-
- 2010 - Ford Israel Fund and Neaman Institute,
2012 “Brokering Knowledge for Housing Policy”,
sole grantee, \$108,000. Action research to
develop position papers on emerging
knowledge, outreach and training for
municipal stakeholders and support for
community based organizations. Findings
are guiding proposed legislation, pilot
projects and new municipal plans.
- 2010 - Crown Foundation, “Haifa Affordable Housing
2012 Initiative”, with Yedid, Association for
Community Empowerment, \$5,000/\$80,000.
Action research and feasibility study for
pilot affordable housing project in Haifa.
- 2012 Tel Aviv municipality strategic planning,
“Multi-family housing in tall buildings:
international case study research”, with
Einat Kallush Rotem and Ehud Pasternak,
17,000 NIS/100,00 NIS.
- 2012 Jerusalem Municipality, “Social aspects of
Urban Renewal”, sole grantee, 25,000 NIS.
- 2012 - Social Justice Fund, formerly Ford Israel
2014 Foundation, “Social Planning Workshop:
Advancing Social Sustainability in Housing
and Spatial Planning”, sole grantee,
\$150,000. Applied research to develop
knowledge and tools, and to launch multi-
sector task force initiatives, for more
-

equitable outcomes in housing and spatial planning.

- 2012 - Ministry of Interior, Planning Authority,
2016 “Developing tools and training for enhancing social aspects of national spatial planning”. Sole grantee, up to 25,000 NIS annually.
- 2015 -
2018 Yad Hanadiv, Public Space and Community Development. Sole grantee. 2015 in partnership with the Jerusalem community councils, 185,000 NIS over one year. 2016, 2015 - 250,000 NIS over eighteen months.
2016 Ministry of Housing and Construction, with Joint Distribution Committee. Towards Habitat III and Israel national report.
- 2015
-2016 National Economic Council, Prime Minister’s Office: “Rationale for national policy on urbanism: a comparative study and implications for Israel”.
- 2016 -
2018 Bernard Van Leer Foundation, sole grantee, “Urban 95 Knowledge Networks, on co-producing knowledge on urban planning and early childhood. 400,000 Euro over 2 years.
-
